

Project: Manipur Chief Minister's Dashboard

STATUS : Completed and Launched

Chief Minister Manipur, on Tuesday had the first ever Video Conference with a Hill Deputy Commissioner through "Dial a DC" Video Conference Console provided in CM's Dashboard. The Chief Minister in the presence of Union MHRD Minister Shri Prakash Javadekar had a detailed discussion with DC Ukhrul Shri Pradeep Chandren over Video Conference. The Chief Minister and DC Ukhrul conversed online through Video Conference platform of the CM's DashBoard.

The CM's Dashboard was inaugurated on 20th June, 2017 by the Hon'ble Chief Minister in the presence of Hon'ble Union Minister for MHRD Shri Prakash Javadekar and a Video Conference was held with the Deputy commissioner of Ukhrul through the Dashboard during which the Union Minister MHRD discussed the status of Kendriya Vidyalaya and Jawahar Navodaya in Ukhrul District.

A Dashboard view is a single page view containing a combination of reports on key data points relevant to a Project. Through the use of dashboards, complex data visualisation is simplified to provide users current performance at a glance.

To provide a simplified but complete picture of projects being implemented by the Government of Manipur, a dashboard view has been developed through CubeTen Technologies for the Hon'ble Chief Minister, Manipur.

Presently the Manipur CM Dashboard provides a single page aggregated view of i) Secretariat Attendance ii) Power Outage iii) View of the CCTV coverage of the Old and New Secretariat iv) DARPAN v) Cases reported and taken up by the Anti Corruption Cell vi) Food Safety Report vii) Jeevan Pramaan viii) Miyamgi Numit and a console for Video Conference with Deputy Commissioners. The dashboard can be customised to suit the requirements of the Hon'ble Chief Minister from time to time. A screenshot of the present Dashboard is displayed below:
