

**Project: Provision of connectivity of Government offices**

**STATUS : To be completed by 24<sup>th</sup> June, 2017**

Under the National e-Governance Plan Scheme of Government of India, a State Wide Area Network has been established in Manipur connecting State Headquarter to the District Head Quarters. The network shall be utilized for the inter-Departmental connectivity, multi-user and multi-service facilities, video conferencing, email, on-line application processing and query.

**Expansion of SWAN OFC:**

The Government of Manipur is implementing a number of Government applications such as e-District, VAHAN, Jeevan Pramaan, Treasury, GST, Electoral Services, CCTNS, etc which requires a reliable internet connectivity at the outlying offices at the Districts. To ensure stable and reliable connectivity at the District Head Quarters, DIT Manipur is upgrading the existing SWAN network at District Head Quarters through last mile OFC connectivity. Till date all offices at the District HQs have been connected except for Jiribam, which will be completed by 24<sup>th</sup> June, 2017
