

100 days Programme:

Infrastructure provided under RMSA, Manipur

New Building construction works in 9 (nine) upgraded High Schools under RMSA were completed within the 100 days after the formation of the present Government. Although these construction works were initiated by the previous Government, they were lying incomplete. The main objective for the said construction is to provide all necessary infrastructures to make good quality Secondary Education accessible and affordable to all children in the age group of 14-15 years of the particular area. Following are the details of the schools and the components constructed.
